A BILL FOR

An Act to amend section two hundred thirty point twenty-four (230.24), Code 1950, relating to the annual tax which the board of supervisors of a county may levy for the care and support of insane persons outside of a state hospital for the insane, and to provide for an increase in the permissible tax levy for such purpose.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section two hundred thirty point twenty-four
- 2 (230.24), Code 1950, is hereby amended by striking from line
- 3 three (3) of said section the words "three-eighths" and sub-
- 4 stituting in lieu thereof the word "one".

EXPLANATION OF H. F. 363

The maximum levy for the county insane fund of $\frac{3}{8}$ of a mill will not raise sufficient money to adequately or humanely care for Polk County's insane patients at its county home. Three-eighths of a mill, based on valuations of the year 1950 will raise just over \$85,000. A tax of one mill if permitted would raise sufficient money to care for all of these unfortunate persons.
